## *What must it be like to watch your "Princess" go to prison?*

by J. W. in prison

### Prison Princess

What must it be like to watch your princess go to prison?  
Like Jesus from his tomb, I have risen,  
At what point is your past really your past?  
It's just a faze they say, well how long do fazes last?  
Countless times I've said sorry, I'm done, never again,  
But the battle for my soul it seems the devil always wins,  
I worked hard trying to stay high,  
Running from my family chasing after some guy,  
Show time! No more telling or selling myself short,  
No more dragging my crying mother out of court,  
What must it be like to watch your princess go to prison?  
Like Jesus from his tomb, I have risen,  
I can hear the devils whispers "Whats so different about this time?"  
"I give you less than a year you'll commit another crime."  
The problem is, you dont know the girl your talking to,  
Sit back, relax, let me give you a clue,  
The old me would of gone for that Sap,  
And fallen into that evil trap,  
I'm not using meth anymore for a crutch that girl is gone for good,  
I'm a new creation in Christ, but dont get it misunderstood,  
I'll still have bad days along with lots of good,  
But Jesus will be there with me just like he promised he would,  
What must it be like to watch your princess go to prison?  
Like Jesus from his tomb, I have risen,  
I am so very thankful for my amazing family,  
You have all been good to me, but one in particularly,  
MOM, I dont know what I would do if I didnt have you,  
my go-to person, my friend, my rock all of this is true,  
Without you I would loose my way,  
your light has brought me through my darkest day,  
What must it be like to watch your princess go to prison?  
Like Jesus from his grave, I have,  
Risen!

**This 60<sup>th</sup> year issue of *Miracles & Missions Digest* is dedicated to those incarcerated who have used an unpleasant experience in their life to emerge from a grave as Lazarus did when Jesus commanded him to come forth to newness of life. It is also dedicated to those who helped a bound soul be loosed and set free. "Jesus saith unto them, Loose him, and let him go" (John 11:43-44)**

*“If the Son therefore shall make you free, ye shall be free indeed.”*

(John 8:36)

**Dear Brother Skinner,**

Just a few words to say thank you for the little book you sent me. I really enjoy reading it and the letters you receive from the ones in prison. Thank God for people like you trying to help others. I thought the boys might like to read this. I had a son who went to prison, stayed about 13 years. He made a model prisoner of himself. He finished college while he was there. Came home and got his bachelor degree and also has his masters. Now guess what? He is a counselor for a drug and alcohol program. He also pastors his own church, so you see what God can do if you put your trust in Him. **So to all you prisoners out there God is the answer, for all of us.** You might say I have prayed and prayed, just don't give up on our Lord. Keep praying He is our only hope. I'll be 90 years old in June with Gods help. I do my house work on my own and cooking and still able to tell about Jesus. Oh yes, when I was 32 years old I received the Holy Ghost, it was the greatest miracle that ever happened to me. I'm still here to tell you Jesus is the Answer for all of us, you prisoners just get Jesus on your side, He is the one that can work miracles. Believe me now. Through the years He has been my guide and I wouldn't want it any other way. I want to live just as close as I can to God. As I say, He is the answer for us all. I could go on and on but for now I'll hush. A friend in Christ

**To whom it may concern,**

My name is L. O. I am 52 years old and currently incarcerated at the \* unit. A fellow inmate shared your address with me and encouraged me to write you for the above items. A year ago today I was on the run. I had lost all hope, I felt like my life was over and that I had lost God's love forever. Never would I have believed that a year later, while in prison, I would have the relationship I do with God and feel as free.

He truly is an awesome God. I would sincerely appreciate anything you could send me to help strengthen my walk with the Lord. Thank you so much for all you do for those like me. I look forward to hearing from you soon. May God continue to bless you and yours always. Sincerely

*L. O. in TX Prison*

**To whom it may concern,**

May Grace and Mercy abound toward your ministry abundantly through Jesus Christ our Lord. I am a brother in Christ currently incarcerated at the \* unit in TX. I surrendered my life to the Lord on September 29th 2014. I have been reading a NKJV Bible for the last year seeking Wisdom & Knowledge through Scriptures and getting to know my Lord and His will for my life. I came across a brother in Christ here who had a nice KJV Bible with a Concordance and Center Scripture Reference. I love the way the "Old" KJV Bible reads. It sounds so much more "Authoritative". This brother gave me your address and he told me if I wrote you that you would send me one of these KJV Bibles for studying. So I am asking if you would please send me a KJV Bible with Concordance and Center Scripture Reference? It would be such a blessing to have one. I am "Indigent" and unfortunately cannot purchase one, but I assure you that it will be studied and read. In the mean time I pray that our Great God and Saviour Jesus Christ blesses your ministry and meets all your needs to fulfill "His Will" according to His purpose. May each of you at the ministry be blessed with all health. In Jesus,

**To International Bible Association,**

Thank you for the Bible you have sent to me and the Bible Course, I really like it. I pray that God blesses you as you have blessed me. Thank you very much again. I will be locked up for 2 more years in the Texas prison and I am very thankful for

all the books you have sent me. They are a true blessing to me and everyone you send to. I look forward to the Magazine you send me. When I was arrested I had just lost my mom like a month before, 6 months later my dad past away too. So I've been really trying to find my higher power. I know it will hit me really hard when I get out. Also again I want to thank you again for all you do for people; you are a true blessing to the world. For God is shining through you: you are a light in the World thank you. May God bless you very much your brother in Christ.

**To whom it may concern,**

My best friend has your *Miracles & Mission Digest*, I really enjoyed the stories and also peoples testimonies. I was reading one of your magazines, it brought tears to my eyes and I feel the pain as well. This is my request, to get closer to God and to know Him better; please can you send me *Miracles & Missions Digest*, study course, and song book. Thank you for your time and your help. May God Bless you forever, Sincerely

**To whom it may concern,**

My name is M. C. and I am currently in prison. I happen to see the beautiful Bible that you had sent to an inmate here. I am writing to request one for myself. I would like the King James large print version. I would be grateful for the Hymnal Book also. I would like to thank you for your help with this. I would also like to thank whoever makes getting these beautiful Bibles possible. Again thank you so much and God Bless you all. Thank you.

*M. C. in NC Prison*

**Dear Jack Skinner,**

How are you and the ministry doing? Fine I do pray. I just received my Prison package, and I love it. You asked me to forgive you for not having what I asked for in inventory which is your Complete Bible Course and Songs with a Massage. Well, sure I forgive you. Even though, you have no need to ask since I have no money to receive it anyway. So what I have received is a great and mighty blessing. Thank you so very much, may God forever bless you and give you grace. I love the Study Bible,

the Pamphlets and tracts, and magazines of *Miracles and Missions Digest*. I just had to write you back and thank you for this wonderful Word of God. I love it because it is the only Bible that I read, it will be well used for many years to come. I did send you some of my testimony but for me to give you all of it would take many books to finish. For you see I was taught right, but I was not told what I must do to stay right. So I went through life thinking that I was living a Christian life. I was treating people right and working hard and taking care of my family, but I was not living the way God said to. I really did not know what God's Word said besides what I heard preached. I really did not study God's Word on my own until I got locked up in Prison, so I was living a lie. I was living for myself and left God out, thinking I was living right. Now that I have learned what God's Word says about how to live, and what to do to serve Him, I now must wait until the state of Texas gives me another chance to show my new self. I know that when I am ready God will place it upon the Parole members Hearts to give me that chance, and when they do only God will they see, in and through me. 2 Corinthians 5:17-18 "*Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new*". Verse 18 says "*And all things are of God, who hath reconciled us to himself by Jesus Christ, and hath given to us the ministry of reconciliation;*" And I could keep on writing, but what I am trying to say is I am no longer the old self, the old man, the old creature. I am a new creature through Christ Jesus. I no longer want to do the same things I used to do; I no longer think the way I used to think. So I am no longer a threat to society, so now I will wait upon the Lord. When I finish reading the material I pass it on for others to read. This is how my friend found out about you all. Plant a seed and let God water, so it can grow. May God bless you Brother Skinner.  
*B. T. in TX Prison*

**I will start by saying** to God be the glory for you and your organization. Your Bible ministry is a light unto the Word of God and it's setting so many incarcerated in-

dividuals free from spiritual bondage. My cell mate and I have been supporting each other spiritually since becoming cell mates. I'm requesting a King James Version Bible. I'm making this request because honestly the NIV and other versions of the Bible in my opinion is a trick of the enemy deceiving many who seek the face of God. To share some of my testimony I start with this; I received Christ as my Lord and Savior in Nov 2012. I was raised up spiritually on the King James Version of the Bible. I know you probably say this seems like a conflict because I'm in prison. Well initially I was convicted in 2005. I completed 9 years and 4 months on 10 year probation sentence. I had gotten behind on my fees and was locked up again in Feb 2015. I was actively participating in ministry as I received my ministry's license in Oct 2014. I was not able to have my Study Bible with me since my incarceration began. I made up my mind I won't turn back now, God has been too good to me. I believe a King James Bible will help me to minister to others. I just don't want to use a watered down version because the same way that heaven is real so is hell. I take the Word seriously because I know what's at stake for myself and others that surround me. I want them to choose with the truth because the truth shall set us free from sin and death. So I would appreciate your help. The Word that you share with me I will share with others around me. So I say thank you for what you have done for those before me and prayerfully for what you will do for me. And last but not least for those whom I will share the Word with, May God bless you and keep you.

### **To whom it may concern.**

I am right now in Texas Prison and I ran across one of your magazines and also your red book on how to build strong Christians. I would love to ask you if you could send me a Bible as well, because we don't have a unit Chaplain and I need a Bible real bad. I have never heard people preach the Word of God like you do. It convicted me and it is changing me. (Hebrews 4:12) The people now days, they preach the word to please people instead of our cre-

ator (2 Timothy 4:3). Can you please send me magazines on Hell and one that teaches that BIG lie that people think once saved always saved (Matthew 5:48) (Philippians 2:5) Brothers keep on doing the good work of our Lord and Savior (2 Timothy 1:7). I don't have nothing, Brothers can you please send me what I am requesting of you, please. Thank you and may the love and favor of our Lord Jesus Christ be upon all of your love ones and you all. Pray for me that our Lord will restore my wife & kids and grand babies back to me please. (James 5:16) your Brother in Christ Jesus.  
*J. C. in TX Prison*

### **Brother Jack Skinner**

Thank you for the Black KJV Bible and the literature you sent. I shared it with the other prisoners and all loved it.

I noticed since receiving it that the Devil's presence has also become stronger in here as well. He makes learning the "Message" harder but with your help by being able to read God's offering to us with your literature I'm able to rebuke Satan as I grow stronger and closer to Christ. It's tough, Satan is real and he's powerful, he knows all my ways for many of years so I want to thank you for bringing all of this for me to see and be helping me have forever salvation in the kingdom of God instead of the Lake of Fire with the deceitful Devil.

Please keep me and my fellow prisoners from ..... in your prayers, all 24 of us in .... Mississippi and God bless you Jack Skinner for your determined and wonderful work.

If you have any more literature, we wait for it eagerly and if not we from .... thank you for all you've done. P. S. I would of written sooner but I had to wait on stamps. God bless your ministry.

### **Dear Miracles & Mission Digest,**

I'm writing to you to let you know that I've enjoying reading your magazines and I find them very fulfilling for the soul. I enjoy learning and reading the Word of Lord. I'm currently incarcerated and I was wondering if you could send me more of your Magazines and Bible. I enjoyed reading your article on Adultery and its Problems! By Mrs. M.A. Daoud. She speaks about a lot of things I never knew about on Adul-

tery. I enjoyed reading it because of the Word, it taught me a lesson because I got married at a young age and we are no longer together but we are currently still married and I would like to divorce because he has moved on and so have I. We have been married for 27 years. We have no desire of getting back together. So if you please can you please send me some more Magazines and a full Holy Bible and some Bible study sheets if you have it please, Thank you and May God bless you.

**To whom it may concern,**

First giving honor and praise to God for allowing me to have a second chance. I came to state jail a first time offender and I'm actually still reading the *Miracles and Mission Digest* for Aug/Sep, 2015. Laughing out loud with God because I'm almost finished and I just realized I'm also reading a Bible study course for Strong Christians that are useful for God By missionary –Evangelist M.A. Daoud, funny huh. So I'm writing to say thank God at 26 years old I have backslidden only once. He has shown me a lot through you and I'm very much grateful that I took the time out to say. "I'm giving my life back to Christ" I owe it to myself, to God be the Glory and to you all for helping me realize the real meaning of Christ all over again. I'm getting rebaptized, never really knew all that I know now. I know I realized in Oct. 2015 my water Baptism takes place and I will be going home in December. I want you to continue to keep me in prayers for my going home. I have a 9 year old daughter and her 10th birthday is Dec 29 and I'm praying and trusting God I'm home with a awesome gift and an awesome way to start a New Year. I have crazy faith and I don't have no doubt about it. "Jesus is real" and you all showed me this. I can go on and on. One day we will meet maybe you will read my book I'm going to finish soon. Once I'm out of here I'm on the roll for the Lord's will and work. I'm also writing to request a King James Bible they are starting not to give those away anymore and I need the Word I can understand I also would love to keep receiving the magazines in Jesus name. Thank you

R. A. in TX Prison

**Brother Skinner,**

Thank God for you. I love the Lord Jesus, I press toward the mark for the prize of the high calling of God in Christ Jesus. Like Paul says. I enjoy reading *Miracles and Missions Digest*, although the ones I got are out dated, they are a blessing to have. I just finished contending for the faith! That's the main reason that I am writing you. I have a NLT bible and for the most part it seemed to be ok until I checked Daniel 3:25 with your mag that has the scripture comparison KJV. In the NLT bible it said "son of god" and I serve God not god. I even crossed referenced it with my brother in Christ bible NKJV study bible and his had Son of God. This has got my heart troubled in many ways, for one this NLT is the only one I got and I always argued that how can God's perfect Word be tampered with, but we are in an imperfect Word, but thank God, He never leaves us or forsakes us. The Holy Spirit has led me to read *Miracles and Mission Digest* and thank God the KJV is un-tampered with and my eyes are open spiritually, well they have been opened spiritually thank God, but now they are open to something else. Please my Brother, I'm incarcerated and I need the true translation KJV HELP! If possible can your ministry send me one with a updated Magazine or two. I'm in prison so my recourses are limited humanly speaking, but I just prayed that God put it on your heart to help me, so thank you and I love you brother, Praying that you and your ministry keep up the good work, Your brother in Christ.

My name is S. L. and I am currently serving a 10 year sentence for a crime that I have committed here in Texas. I am writing you this letter because I'm in need of a King James Bible. I gave my life to God in Feb/2009 and I've been reading the Bible ever since. I currently have an old Bible, it's an E.S.V., but I've noticed when compared to a K.J.V that the E.S.V is missing not only Words in the Verses but also omits full complete verses, and it changes the meaning of Words also. I recently came across a study about the K.J.V and the different translations that exists today, and I'm convinced that the K.J.V is the original word of God. This is the reason why I'm writing to you, to see if you could please help me by sending me a K.J.V Bible thank you for your time and consideration to this matter. Thank you. *S. L. in TX Prison*

### **Dear Sir or Madam,**

I'm writing to let you know I saw one of your magazines that was left for whom. I was attracted once I seen the word Miracles. I knew there's only one person does miracles, that's God. I read the testimonies. I was touched very deeply. I need God into my life. I need to read the Word of God more. I'll love to have one of these Bibles that I read that other incarcerated inmates said that was so beautiful and easy to follow. I'm asking you all to pray for me to be granted a hardship transfer. Transfer to ..... so I can have visitation with my mother and other relatives. I've not seen my mother in 22 years, all my relatives reside in ..... I've sent the request to ..... My mother sent her doctor's letter status why she can't travel to Texas due to her medical condition. I believe in miracles plus I believe in Matthew 18:19, 2 or more witness it should happen. I've been incarcerated for 22 yrs on 55 year sentence. I'm sending my blessings to all of you hard worker ministries. Keep up the good work of God. Love. *B. W. in TX Prison*

### **Brother Skinner,**

I just felt impressed upon by the Holy Spirit to write, amen. I receive M&M and it is truly a blessing because I'm in prison and the conviction by the preaching in M&M got me back on track, I was in a

backslidden position. But, Glory to God, a friend of mine introduced me to this awesome ministry, hallelujah. I just felt compelled to write and encourage you all to keep evangelizing on paper which is powerful in the name of Jesus.

*B. D. in TX Prison*

### **Dear Brother Jack Skinner,**

I am writing on behalf of my belief in your ministry in Texas. I am soon to be 65 years old. I've been in prison almost 40 years. I have life plus. I am challenging 2 or 3 inmates who are soon to be released to move to Dallas and volunteer to work there at the ministry. I had asked them to think of two things, (1) What Jesus has done in saving you from sin and healing your body. (2) What great rewards you'll have in Heaven later for working in this ministry that puts forth the truth. Do you know any other ministry that does? If you do, what are your chances of working for them? Brother Skinner needs help now! The opportunity is there for anyone to take. It is probably a greater ministering opportunity than being a preacher in church or being a missionary to some foreign land. Think about it! Make your life really count for Jesus. Brother Skinner doesn't even know me, but I've been led by the Holy Spirit to write these few words of challenge to be seriously thought about. If I could be free, I would not hesitate to go. Is God the Father calling you? Don't disobey! Go!

*An inmate in NC Prison*

### **International Bible Association,**

I'm just sending this short letter to praise God with you all, and for you all in Jesus name! I was recently housed in medium custody and I was in my cell when the mail was called and my roommate received the *Miracles & Missions Digest* which she does not know who subscribed her to receive the magazine. The thing is that I am glad I was here to read it. I enjoy it very much. For two days I have been praying for the Lord to lead me to someone to pay my tithes so I believe that is why I got to read about your ministry. May the Lord continue to bless your ministry according to His riches in glory through Christ Jesus our Lord. In His name.

*R. C. in TX Prison*

## Dear Brother Skinner,

I would like to thank you for the newsletter that you sent, one thing that my grandmother taught me was that when God is in a ministry it will last. I can tell by what I read that God is working through your ministry and has touched my life. Brother Skinner please pray that God will work through my life to touch and help people in this prison. I have been here about one year now and the Lord has helped us to start a Bible study in our pod. Thank you Jesus! I am praying for Him to have His way in my life and that His will be done in my life. I am fully surrendered to Him Brother Skinner, please keep me in your prayers.

### Miracles & Missions Digest

May I please have your free monthly magazine sent to the names and addresses listed? Thank you and God bless you for your work.

S. (Stacy) S. in WV prison

### To all my incarcerated friends,

I received the letter above from, Stacy, a female inmate requesting *International Bible Association* to send *Miracles & Mission Digest* to ten people.

As I was typing the labels and paperwork, I thought of the rich man in hell who was pleading with Abraham to send Lazarus to his family and warn them not to come to where he was in torment. (Luke 16)

Friends, you can do evangelism that Brother Skinner cannot do. Write people, put them on a godly mailing list, and pray for them that they do not come to where your lifestyle has sent you. You have influenced many with your wicked lifestyle; now, do your best in showing the Love of God and His extended mercy to your fellow inmates and prison personal. *"For I have five brethren; that he may testify unto them, lest they also come into this place of torment. Abraham saith unto him, They have Moses and the prophets; let them hear them."* (Luke 16:28-29)

Moses and the prophets was God's Word in the rich man's day and the Holy Bible is God's Word in our day. This is the reason

we send Bibles to you. My words are human but the Word of God can set each of you free right there behind bars and liberate your soul and those whom you witness to!

The story of the woman at the well who Jesus witnessed to in John chapter four returned into her city and declared *"Come, see a man, which told me all things that ever I did: is not this the Christ?"* (John 4:29) Jesus' twelve disciples had just returned from the same city leaving behind no testimony for the Christ they walked with. They only brought out food for their bellies. This sinner woman returned bringing out souls whom she had testified to. *"And many of the Samaritans of that city believed on him for the saying of the woman, which testified, He told me all that ever I did. So when the Samaritans were come unto him, they besought him that he would tarry with them: and he abode there two days. And many more believed because of his own word; And said unto the woman, Now we believe, not because of thy saying: for we have heard him ourselves, and know that this is indeed the Christ, the Saviour of the world."* (John 4:39-42)

You prisoners can do something for God without your freedom and without any money if you are truly a child of God. Read what a poor widow did. (Luke 21:2-4)

**Yes, I was wondering** if I could trouble you all for a King James Version Bible. Please and thank you.

I'm in prison. I love the Lord but I've strayed so far away from Him, I need help. I lost my mother and brother 5 months apart back in 2010. I lost my way. I've been stuck in my grief and loneliness ever since.

I just don't know if I can make it through life another day without the Lord. Can you please pray for my life and situation fervently? I want to live the life that God has planed for me. P. S. Could you please pray for ..... my daughters and my two grandchildren. I don't hear from them. Please & thank you. S. (Sheila) W. in TX Prison

### An Open Reply

Yes, Sheila, Brother Skinner will pray for you, your daughters and your grandchildren as you have requested. I pray that they will contact you and pray that God

# The Price of Helping Others!

Jack M. Skinner

In 1972, between Bible School summer break, Sister Skinner and our two year old daughter, Jolene, started out with me for Alaska to help in a church, traveling 4,000 miles (1,300 of gravel road) through Canada. Along the way in the Yukon there was a couple with small children broke down and stranded. The man had built his trailer using an old automobile rear axle, sealing it tight and nailed it shut. All of his tools were inside and there they sat ignored by the few who passed by on this desolate stretch of gravel road. The axle had broken under his trailer while headed from Alaska to Texas. They told us they had passed a motel back a few miles and that they needed to stay with their belongings as night was approaching. We took the children and drove several miles to the motel while the parents stayed with their van and trailer during the night. We arrived at the motel and told the gentleman at the desk what had happened and we needed a room for the night. We rented the cheapest he had and asked for extra bedding to put on the floor and extra towels. Checking out the next morning the "inn keeper" charged me extra for each child to sleep on the floor and each pillow, blanket, towel and washcloth used. We paid the bill, drove back to the couple and while Sister Skinner stayed with the wife and children I drove the man to a village and found an old used car, retrieving the rear axle and we installed it under his trailer.

After helping the man replace the axel and back on our way to Alaska, we stopped by to see the inn keeper and he informed us that he had been robbed at gunpoint the night before. Pondering what had transpired to us while staying there, I thought the only difference between him and the robbers was they used a gun and he used greedy opportunity. We had very little money but God provided for us all the way. *"For the love of money is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves through with many sorrows."* (1 Timothy 6:10)

## The Price of Helping Others!

Jesus is the ultimate example of paying the Price to Help Others! The price I am talking about is that one opens themselves up to criticism by those who were helped. Many will turn against the helping hand when the loaves and fishes run out.

*"And the people stood beholding. And the rulers also with them derided him, saying, He saved others; let him save himself, if he be Christ, the chosen of God. And the soldiers also mocked him, coming to him, and offering him vinegar, And saying, If thou be the king of the Jews, save thyself."* (Luke 23:35-37) If He would have, for He could have come down from the cross; there would have been no HOPE for humanity!

*"Likewise also the chief priests mocking him, with the scribes and elders, said, He saved others; himself he cannot save. If he be the King of Israel, let him now come down from the cross, and we will believe him."* (Matthew 27:41-42)

*"For the mouth of the wicked and the mouth of the deceitful are opened against me: they have spoken against me with a lying tongue. They compassed me about also with words of hatred; and fought against me without a cause. For my love they are my adversaries: but I give myself unto prayer. And they have rewarded me evil for good, and hatred for my love."* (Psalms 109:2-5)

### For my love they are my adversaries:

The price of loving "costs" no matter who you love! If you love only yourself, the price you will pay will be the ultimate cost when one appears before God's Great Judgment Throne. If you love only your own, the price will be watching your selfish offspring indulge in a carnal worthless lifestyle. If you love others as yourself you will pay a dear price but will be fulfilling His Royal Law!

*"My brethren, have not the faith of our Lord Jesus Christ, the Lord of glory, with*

*respect of persons. For if there come unto your assembly a man with a gold ring, in goodly apparel, and there come in also a poor man in vile raiment; And ye have respect to him that weareth the gay clothing, and say unto him, Sit thou here in a good place; and say to the poor, Stand thou there, or sit here under my footstool: Are ye not then partial in yourselves, and are become judges of evil thoughts? Hearken, my beloved brethren, Hath not God chosen the poor of this world rich in faith, and heirs of the kingdom which he hath promised to them that love him? But ye have despised the poor. Do not rich men oppress you, and draw you before the judgment seats? Do not they blaspheme that worthy name by the which ye are called? **If ye fulfil the royal law according to the scripture, Thou shalt love thy neighbour as thyself, ye do well:** But if ye have respect to persons, ye commit sin, and are convinced of the law as transgressors. For whosoever shall keep the whole law, and yet offend in one point, he is guilty of all.” (James 2:1-10)*

Jesus commanded those who were present when He called Lazarus out from the tomb to “*Loose him, and let him go!*” Those of us who are walking with Jesus have the responsibility according to the Word of God to get involved in the process of helping those who have been delivered by the Blood of Jesus. To pay the price, not counting the cost of helping others. God forgive us who may be selfish and fearful of any price we may be demanded of God to pay to stoop to help a friend; an enemy; a stranger; those bound with death clothes; and those who may criticize us and bring accusations because of an unthankful heart!

*“Wherefore seeing we also are compassed about with so great a cloud of witnesses, let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the race that is set before us, Looking unto Jesus the author and finisher of our faith; who for the joy that was set before him endured the cross, despising the shame, and is set down at the right hand of the throne of God. For consider him that endured such contradiction of sinners against himself, lest ye be wearied and faint in your minds.” (Hebrews 12:1-3)*

If we, as professing Christians, are more fearful of what “people” think of us than what God knows about us; we are more concerned about our reputation than our character! The story in the Bible (Luke 10) about the Samaritan who stopped his journey and went into the ditch to help a wounded stranger reveals three types of people. The thief who believed what is yours is mine. The priest and Levite who believed what is mine is mine. And the Samaritan who practiced what is mine is yours. This Samaritan evidently did not have anyone to assist him with this stranger; he was alone. The inn keeper did not offer help and the whole responsibility lay upon this “one” Samaritan.

Helping others is a lonely and costly ministry just as our Lord has showed us. Helping others is the most rewarding ministry just as our Lord has showed us. The price of helping others is worth any investment made. There is nothing in this world that you can take to Heaven with you “except” your investment in another soul.

Instead of traveling around the country looking for a place to preach receiving an offering and fellowship; look for some hurting stranger to share the story of Jesus with, not counting the price to follow in His steps. Some forty six parables (stories) Jesus shared mostly with only a few outside the synagogs and preached very few so called sermons within their walls.

All of you parents, siblings, friends, Christian workers who have stood by an incarnated individual will not regret the price paid, even if they reject the Love of God. Love that quits is not the love of God and love that endures the price to be paid until the end will bring the smile of God and what greater reward than to hear the words; “*Well done, good and faithful servant;*” (Matthew 25)

*“Now before the feast of the passover, when Jesus knew that his hour was come that he should depart out of this world unto the Father, having loved his own which were in the world, **he loved them unto the end.**” (John 13:1)*

Don't give up, Mom! Don't give up, Dad!

Don't give up, Friend!

has visited you there in prison. The greatest visitor you could ever have is when Jesus penetrates those prison walls searching for an unlocked heart to grant salvation and deliverance from all sin and shame. He has no problem entering those prison walls but His greatest challenge is the hardness and unbelief of a human heart. Open that door today and find real peace in the midst of your storm.

*“As many as I love, I rebuke and chasten: be zealous therefore, and repent. Behold, I stand at the door, and knock: if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with me. To him that overcometh will I grant to sit with me in my throne, even as I also overcame, and am set down with my Father in his throne. He that hath an ear, let him hear what the Spirit saith unto the churches.”* (Revelation 3:19-22)

We send Bibles to any prisoner who request one along with this *Miracles & Missions Digest* and other material so you can hear His voice. Now, the responsibility is on your shoulders to obey and open your heart's door and allow Him to come in, clean house, give assurance of forgiveness of “all” sin and guide you into a lifestyle acceptable and pleasing to God.

I not only receive prayer requests from you prisoners but also from many Children of God who suffer because of the curse of sin laid upon all mankind. God withdrew from the Garden of Eden because of the choices of two humans, Adam and Eve. He expelled them. We, saved and unsaved alike, will all face death and death is no more than sickness in progression towards our final end. God's children suffer as well but with a Comforter alongside, hope of healing, and an assurance of Eternal Life.

*“Brethren, if any of you do err from the truth, and one convert him; Let him know, that he which converteth the sinner from the error of his way shall save a soul from death, and shall hide a multitude of sins.”* (James 5:19-20)

#### **Dear International Bible Association,**

My name is R. M. I was lost but now I am saved. I saw a friend with one of the King James Version Bibles that you guys send out to people who request them. I

made some mistakes in my past but now with the love of God my life is getting better with his healing. I'm currently an inmate in prison. I am currently going on 2 years since my incarceration. Ever since I have been in prison I have been attending church and I know for sure with no doubt in my mind God is leading me and showing me the way. God is and has always been here for me, I am realizing that now. God has kept my wife on my side as well as my son through these tough and hard times I've gotten myself in. And God tells me He brought me here so that I may remember Him and draw closer to Him and I am thankful for that. I love reading the Holy Bible, the Word of God. So when my friend told me that I could get a Bible like the one he has through your family at International Bible Association, I got excited and decided to write to you requesting the King James Bible so that I can study and learn. I will keep this letter short because I know you guys are very busy. God bless and keep blessing the International Bible Association and family all over the world. I appreciate the work of ministry that you guys have kept alive for the sake of the love of God. Keep up the good work guys. From your brother, friend, neighbor and family, yours truly. *R. M in TX Prison*

#### **Dear Brother Skinner,**

I want to thank you for sending me the wonderful Bible. A friend of mine in here had one and I could see it was truly a real excellent Bible and the address was in Dallas, TX. Dallas is where I was born and where I currently live now when I'm not incarcerated. My wife is still there now waiting patiently for me. When I wrote I had hoped to get your actual address so I could hopefully get her to go by there and buy me a Bible and mail it to me. I mailed that letter to you on November 17 and I was absolutely flabbergasted when the Bible showed up here in the U. S. Mail on the 1st of December! That's only 14 days! That's incredibly quick for anything to happen around here. God Bless you! In any case I bet we meet one of these days if for no other reason I may need another Bible if this one doesn't make it to Dallas on the bus or whatever way I have to get

home. Also, some poor soul may talk me out of it when I leave here. I don't think the Savior would want me to take it with me if I could get another one when I get home. I'll have one though, that's the Bible I will carry with me to Church, when I get home. Thank you for sending me the *Miracles & Missions Digest*, I enjoy them a lot. If you happen to have any books that might help me pray better, please send me one. I don't feel like my prayers are right and they sure need to be right now. I may be released in late March! Maybe you all can say a prayer for me about that. I will indeed be praying for you and yours in Christ name,  
*J. L. in TX Prison*

### **Hello Mr. Jack Skinner,**

I want to thank you all for the big print Bible, well for the whole package. I enjoy the *Miracles & Mission Digest*. It really hurt my heart to hear how people in prison are not taking care of the Bibles you send them. I will be praying for them to be touched with a changed heart. I'm also going to keep your ministry lifted up in my prayers as well. I thank you all for everything that you do for the people all over the world for God. My God continue to bless you until He returns. In Jesus name!  
*L. A. in TX Prison*

### **Greetings Brother Skinner,**

To start with Brother Skinner I would like to thank you for sending the Bible and Song book and booklets you sent to me, I was greatly blessed with the literature. Thank you very much my brother in Christ, for the booklet contending for the faith. When I get released next year the Lord willing I will order some booklets to pass out to the public. Once again thank you very much for giving me truth. May the Lord bless you abundantly. In Christ,  
*A. C. in TX Prison*

### **To whom it may concern,**

I have received a beautiful Bible from you, and what a gift it has been, I have been reading it on a daily basis. I am a new Christian and being in prison the temptations are sometimes hard to ignore. I really need some spiritual guidance from someone. Our chapel is limited and has no chaplain at this time. I was hoping that your association could help me with more

uplifting material that could help me with my new walk with Christ. I really am looking for some guidance at this time. Thank you, God Bless.  
*C. S. in FL Prison*

### **Dear Mr. Skinner,**

My name is J. S., and I am an inmate in NC. I came across your *Miracles & Missions Digest* last month, I enjoyed it. I am in need of a Bible, they don't pass any out here. But Sir, I am not saved. I want to believe in Jesus, but I'm scared of being let down like everyone else in this life has done me. I am a terrible sinner though. I've done bad things in my life, I cuss like a sailor, I lust after women, and fight demons in my mind daily. I am one month free of gambling, that's a plus. I would love to be born again and have the real change. But that seems so far from me. Can you pray for me? I'm a violent man, but yet humble, I am very lonely in this world. And I'm only 23. The only person I have in this world is my mom. My 3 and 2 year old daughters don't even know me and my father has been dead for 7 years today. I will be released in 2019 and I want to be different. But if Jesus is who He says He is and if I do commit my life to Him He would have His work cut out for Him. I'm sorry to bother you with my burdens. God will answer your prayers, please pray for me and my mom she is having bad health dealing with severe low blood pressure.

*J. S. in NC Prison*

### **To whom this may concern,**

My name is M. C. and I'm in TX Prison. A friend received a package from you and she gave me the info to write. I am trying to deepen my relationship with God. I have tried to succeed many times but failed. I know now I cannot do it alone and I accept that. I'm requesting that I may be sent a Prison Package if you can. I would appreciate it. I think that you all are awesome for your encouragement and your kindness for sending out packages to inmates. Some of us have no one to send mail or money to us. All I want is a closer relationship with Jesus Christ my Savior. I know the only way is through study, prayer and of course obeying his commands. God Bless you not only today but every day. And once again thank you so much. With Love, *M. C. in TX Prison*

**To whom this may concern,**

I hope and pray this letter reaches you in the best of health and spirits. I am currently incarcerated, I want to get back on the right side of the pasture. I am a lost sheep that wondered away from the pasture, can you please send me a Bible. So I can get deeper into the Word of God, I want to break the cycle of my criminal ways. And get my life with God Almighty on the right track, and be a productive member in society. Also get in church and into a Bible study. Thank you! May God Bless you! *M. M. in TX Jail*

**Dear Bible Association,**

I would like to start by saying, "Thank you!" your *Miracles & Mission Digest* packet was an inspiration to my heart. I thank you for your spirit filled words. I am a longtime fan of the KJV Bible, it's the only one I will follow, and I read mine every morning. Like I mentioned earlier, I really enjoyed the *Miracles & Mission Digest*, and I look forward to receiving more in the future. I thank you for your time and assistance. Respectfully,  
*C. L. in MO Prison*

**Thank you very much** for sending me this King James Bible to help me to continue to grow in the wisdom and knowledge of God's Word. May God Bless each and every one of you and your family at International Bible Association. *"All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: That the man of God may be perfect, thoroughly furnished unto all good works."* (2 Timothy 3:16-17)  
*D. S. in TX Prison*

**Dear Brothers and Sisters in Jesus,**

Hello my name is J. B. and in the past 6 months I have been touched by the Lord and His Holy Spirit, and I am currently finding my way back to Jesus. I am writing you to request a King James Bible in order to further my understanding of the life my Father wills me to live. I truly believe now that my life is not my own but belongs to Jesus Christ who lives in my heart. The ability to understand Scripture and refer to it in the King James text I know will lead me to a deeper spiritual connection with the Holy Spirit. I thank you in advance for all your help and for the blessing of your min-

istry. Thank you all and may God provide continued Blessings for years and years.

*J. B. in TX Prison*

**To whom it may concern,**

I pray this letter finds each and every one who works with you all in the very best of health and spirits. May the Lord bless you all each day, I am writing you all to thank you for the beautiful Bible and the reading material you sent to me. I am reading because I want to learn all I can about a wonderful Savior, the Lord Jesus Christ. I have read your letter and yes I have to agree on what you mention for I have seen it also. I just do not understand why people do that, they say they want a Bible and reading material and then just discard it. I don't like that what so ever but I pray for them anyway. I just finished reading "Vessels unto Honor", "Holiness & Temptations", and "Why you need the Baptism of the Holy Ghost". You see I came to the Lord in 1997 and I have been locked up for almost 35 years. I do help others when I can and witness to them when they want to listen. I have been fighting cancer for three years and I really don't know where we are at with it until I have a cat scan but I leave that in the hands of our Lord and Savior for He knows what is best for us even though some people don't know that. I send my prayers to you all. God Bless you all and thank you all again for your help.

**\*14,970\*** Prison Bibles distributed since IBA started sending "Free Bibles" into prisons across the USA. What greater gift could a human give than the Word of God? What greater gift could a human receive than the Word of God?

Are you my friend incarcerated in a dead unbelieving social establishment called a "church" or are you one of the 7001 who have not kissed Baal? *"Yet I have left me seven thousand in Israel, all the knees which have not bowed unto Baal, and every mouth which hath not kissed him."* (1 Kings 19:18)

## ***Unbelief in Believers!***

Jack M. Skinner

### ***Church without Missions!***

*“Now when Jesus was risen early the first day of the week, he appeared first to Mary Magdalene, out of whom he had cast seven devils. And she went and told them that had been with him, as they mourned and wept. And they, when they had heard that he was alive, and had been seen of her, believed not. After that he appeared in another form unto two of them, as they walked, and went into the country. And they went and told it unto the residue: neither believed they them. Afterward he appeared unto the eleven as they sat at meat, and **upbraided them with their unbelief and hardness of heart**, because they believed not them which had seen him after he was risen. And he said unto them, Go ye into all the world, and preach the gospel to every creature.”* (Mark 16:9-15)

Jesus rebuked His disciples for their unbelief. It was not the common people which saw His works that He rebuked. It was those who walked and shared His power to heal and deliver souls from the devil's clutches. These men were so caught up in the process of God's work that they missed the real importance of discipleship: the “product” of God's love. Love reaching souls headed to an eternity in the Lake of Fire. This is not by any means a funny story or just a good illustration but it is a sad condition of Christian ministry in Jesus' day and today as well. Go to a place called “a church”, go through the rituals deemed important and proper by its leadership, and return back unto a life of unbelief and hardness of heart. Run from meeting to meeting and fellowship with man, never remembering why Jesus came: others! It is simply unbelief; a hardened heart in many who have met the Saviour, dined at His table, walked with Him, seen His love and compassion, felt the call. But because of the cost of following His command to look on the fields, they are back in the fellowship halls building their own kingdom of common theological thinking. Back seeking a humanistic following with selfish desires while souls plunge into hell unnoticed.

*“Lay not up for yourselves treasures upon earth, where moth and rust doth corrupt, and where thieves break through and steal: But lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through nor steal: For where your treasure is, there will your heart be also.”* (Matthew 6:19-21) Be cautious preacher; be cautious evangelist; be cautious missionary! What building are your hands constructing? Stop and examine if because of unbelief your labor is in vain. No faith is the cause of unbelief and fear is the tool used in the hands of the faithless. Read the Bible! Believe the Bible! Live the Bible! The Word of God is the foundation of faith, not some talented speaker who is in demand because they can sway the people into an emotional stir. This is Hollywood religion! This is religion without belief! Without counting the cost of the cross and sacrificing all to sow the true Seed. Seed sown which will deliver a soul from the torments the rich man testified about in Luke 16! True belief in God and His Word will carry a true follower of God all the way through life's carnal selfish religious formalities into the Promise Land!

*“Wherefore (as the Holy Ghost saith, To day if ye will hear his voice, Harden not your hearts, as in the provocation, in the day of temptation in the wilderness: When your fathers tempted me, proved me, and saw my works forty years. Wherefore I was grieved with that generation, and said, They do alway err in their heart; and they have not known my ways. So I swear in my wrath, They shall not enter into my rest.) Take heed, brethren, lest there be in any of you an evil heart of unbelief, in departing from the living God. But exhort one another daily, while it is called To day; lest any of you be hardened through the deceitfulness of sin. For we are made partakers of Christ, **if we hold the beginning of our confidence stedfast unto the end**; While it is said, To day if ye will hear his voice, harden not your hearts, as in the provocation. For*

*some, when they had heard, did provoke: howbeit not all that came out of Egypt by Moses. But with whom was he grieved forty years? was it not with them that had sinned, whose carcasses fell in the wilderness? And to whom sware he that they should not enter into his rest, but to them that believed not? So we see that they could not enter in because of unbelief.”* (Hebrews 3:7-19)

Is “unbelief” the sin which so easily beset those who meet Jesus personally and then because of the price of following Him. They stop off at the nearest formal religious institution and fall back into a life of carnal pleasures forgetting the judgment which lies ahead for all humanity? God has wrath stored up for those who have once tasted of the good things He provides but turn back to the vomit and the mire. Those who search for a liberal pew to sit on or a liberal pulpit to preach from and become a snare unto themselves and those who follow their pernicious ways. *“But there were false prophets also among the people, even as there shall be false teachers among you, who privily shall bring in damnable heresies, even denying the Lord that bought them, and bring upon themselves swift destruction. And many shall follow their pernicious ways; by reason of whom the way of truth shall be evil spoken of. And through covetousness shall they with feigned words make merchandise of you: whose judgment now of a long time lingereth not, and their damnation slumbereth not. For if God spared not the angels that sinned, but cast them down to hell, and delivered them into chains of darkness, to be reserved unto judgment; And spared not the old world, but saved Noah the eighth person, a preacher of righteousness, bringing in the flood upon the world of the ungodly; And turning the cities of Sodom and Gomorrha into ashes condemned them with an overthrow, making them an ensample unto those that after should live ungodly; And delivered just Lot, vexed with the filthy conversation of the wicked:”* (2 Peter 2:1-7)

*“Wherefore seeing we also are compassed about with so great a cloud of witnesses, let us lay aside every weight, **and the sin which doth so easily beset us**, and let us run with patience the race that is set before*

*us, Looking unto Jesus the author and finisher of our faith; who for the joy that was set before him endured the cross, despising the shame, and is set down at the right hand of the throne of God.”* (Hebrews 12:1-2)

A cloud, Brother and Sister, is something that obscures the sun, leaving one to trust in what is shining on the other side. Trusting through the dark times of life with only glimmers of light as others allow His light to shine through them. Others who endure to bring forth faith and the true meaning of walking alone with God.

Jesus not only rebuked His disciples for their unbelief but in the same message commanded them to: *“..... Go ye into all the world, and preach the gospel to every creature.”* Those who have succumb to unbelief can repent and pick up the proper tools and again proceed with Jesus’ command. Repenting and stepping out by faith to continue the work of building His kingdom. Forget about man’s praise, man’s theology, man’s goals, and set your sight on the mark that Paul mentions and become a useful tool in the Master’s hands. While there is life there is hope in Christ. Put the past behind you and turn all your members over to God and pick up your cross and follow in Jesus’ footsteps. A course leading you to some unbelieving soul who is searching for real truth and peace in this confused and hell bound unbelieving world.

*“And be found in him, not having mine own righteousness, which is of the law, but that which is through the faith of Christ, the righteousness which is of God by faith: That I may know him, and the power of his resurrection, and the fellowship of his sufferings, being made conformable unto his death; If by any means I might attain unto the resurrection of the dead. Not as though I had already attained, either were already perfect: but I follow after; if that I may apprehend that for which also I am apprehended of Christ Jesus. Brethren, I count not myself to have apprehended: but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus.”* (Philippians 3:9-14)

# Fasting & Prayer

## Commitment 2016

Jack M. Skinner

Has God's Word touched your heart and caused a longing to commune with Him and you hear that still small voice in an age of clamor and entertainment in the church? If so join with us across our nation in pausing for a time of prayer and fasting two days a month for three months in 2016.

You can find that place that Adam lost with His God and enjoy that daily walk and talk when you find the lost garden and remove those obstacles which bar its entrance. Jesus opened up the way back into that relationship and it is up to us to seek and search for it away from the intellect of carnal Christianity. *"And ye shall seek me, and find me, when ye shall search for me with all your heart."* (Jeremiah 29:13)

You do not have to travel far to find fellowship with God. You will find it on your knees with a repentant and obedient heart. *"Jesus answered and said unto him, If a man love me, he will keep my words: and my Father will love him, and we will come unto him, and make our abode with him."* (John 14:23)

You may be in a nursing home, incarcerated in a jail or bound by the fellowship of man in your own home or church. No matter where or who you are you can enjoy Emmanuel (God with us) and find that peace that surpasses anything this world has to offer "if" you search for Him with all your heart.

There is a price to pay for this fellowship with God but it is affordable to all!

You may already fast and pray two days or more a month. I appreciate your dedication and ask that you join with us at this time. I desire that my ministering will be a help to people and not condemn them.

Jesus instructed leaders, to become servants not lords. So, if you have conquered this task of fasting and prayer please pray for those who struggle because of sickness, weakness, or unbelief.

I would like to have as many that will fast and pray on the dates listed below starting in March until May to join us. If you are willing to join with us and would like to receive an informative letter each month please write to me and we will share some physical advice and some Scriptural encouragement.

It is when we humble ourselves that God is exalted both in our churches and in this wicked world. If we could learn to be still and wait on God then we can experience in life what true revival is all about. Results will transpire in the lives of those who we have a burden for and have been praying for! Instead of running after the blessings of church life today, if we could just get alone with the lover of our souls and seek to be led by Him, someone will be blessed by the presence of God as we walk through this trail of tears called "life".

Just yesterday, January 7, 2016, I was eating at a restaurant and upon exiting my table, I searched for the waitress who waited on us. I spotted her and approached her offering her a Gospel of John booklet stating that God cared about her soul and this Gospel was more valuable than money. She immediately accepted it, opened it up and said: "I have been hungering for God's Word and trying to study it. Thank you, thank you." Then she put both arms around me and hugged me right in the middle of the restaurant.

If we are led by the Spirit of God we will be led away from the carnal church activities and out into His harvest field. Souls are hungering for spiritual reality amongst all the swine husks filling the airways and so called places of worship.

For God sent not his Son into the world to condemn the world; but that the world through him might be saved. He that believeth on him is not condemned: but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God. And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil. For every one that doeth evil hateth the light, neither cometh to the light, lest his deeds should be reprov'd. But he that doeth truth cometh to the light, that his deeds may be made manifest, that they are wrought in God.” (John 3:16-21)*
